Product Overview

Professional Cordless Performance

This 20V Cordless Brushless Circular Saw is engineered for high-performance cutting in woodworking and construction applications. Equipped with an advanced brushless motor, it offers significantly longer service life and maintenance-free operation compared to traditional brushed models. Designed with user comfort and efficiency in mind, it features an ergonomic soft-grip handle, integrated power status display, and robust battery protection technology.

Technical Specifications

Rated Voltage	18 V
No-load Speed	5200 r/min
Blade Diameter	185 mm
Max Cutting Depth	63 mm
Cutting Angle Range	0-56°

Battery & Power

Compatible Battery Capacities

- 4.0Ah
- 5.0Ah

Power Management Features

Brushless Motor, ECP Protection, Battery Status Display, Maintenance-free

Design & Ergonomics

Design Highlights

Soft-grip Handle • Lightweight Design • Ergonomic Build
