Product Overview

High-Performance Cordless Impact Wrench

This 20V cordless brushless impact wrench is engineered for professional-grade fastening and drilling applications in wood, metal, and concrete. Featuring a compact, ergonomic design with a soft-grip handle, it provides superior comfort and control, especially in tight workspaces. The brushless motor technology ensures an extended runtime and reduced failure rates, making it an essential tool for framing, cabinet installation, and heavy-duty construction tasks.

Performance Metrics

Key Performance Specs

20 V

Voltage

280 Nm

Max Torque

2700 /min

Max Impact Rate

Technical Specifications

No-load Speed Settings

- 1700/min
- 2100/min
- 2500/min

Torque Options

- 150
- 180
- 280

Bolt Capacity

Bolt Type	Size Range
Standard Bolt	M10-M20
High Tensile Bolt	M10-M16

Square Driver	1/2 inch (12.7mm)
---------------	-------------------

Weight	0.98 kgs
