Product Overview

High-Performance Cordless Impact Wrench

This 20V cordless impact wrench features an advanced brushless motor, engineered for long life, high efficiency, and low noise operation. Designed for professional use, it includes a 2Ah battery for extended runtime and rapid charging capabilities. With integrated safety features like a leakage-prevention gearbox and battery protection, this tool ensures reliability in demanding construction and automotive environments.

Technical Specifications

Voltage

20 V

Max Initial Voltage

18 V

Nominal Voltage

Motor Technology

Brushless

Battery Capacity

2 Ah

Quick Charge Time

1 hour

Features

Key Features

- Integrated LED work light
- Torque adjustment capability
- Battery loosen prevention design
- Short-circuit protection
- Battery capacity indicator
- Integrated closed, leakage-prevention gearbox

Performance Benefits

High Efficiency, Low Noise, Low Interference, High Endurance
