

# 20V Cordless Brushless Power Drill with LCD

This 20V cordless drill features a brushless motor for efficient power and long-lasting performance. An integrated LCD screen displays battery level and settings for convenient monitoring.

## ADDITIONAL IMAGES

## Product Overview

### High-Performance Brushless Drilling

The 20V Cordless Brushless Drill is a versatile power tool designed for professional and DIY applications. It features a high-efficiency brushless motor and an integrated LCD display for real-time monitoring of battery levels and settings. With a 65NM maximum torque and a 21+1 torque setting, it provides precision control for a wide range of drilling and fastening tasks.

## Performance Metrics

### Key Performance Metrics

**65 NM**

Max Torque

**2000 RPM**

Max Speed

**20 V**

Voltage

## Technical Specifications

No-load Speed	0-500 / 0-2000 RPM
Torque Settings	21 + 1
Motor	48 Brushless Motor

## Chuck & Handling

Chuck Specification	2-13mm metal chuck with auto-lock system
---------------------	--

## Battery & Charging

### Battery Pack Options

- 2000mAh Lithium-ion
- 4000mAh Lithium-ion

### Charger Performance

1 hour fast charge (2.3A / 3.5A)

## Compliance & Quality

Our products meet rigorous international standards including CE, GS, and ETL for safety and performance.

### Safety & Quality Certifications

CE, EMC, ETL, GS, ROHS, SAA, SDS
