Product Overview

Professional Cordless Performance

This 20V cordless drill driver is engineered for versatility and reliability in demanding work environments. Featuring a robust 1/2-inch chuck and a two-speed powder metallurgy gearbox, it handles both drilling and driving tasks with ease. Designed for convenience, it includes an integrated LED work light, a belt clip for high-altitude operations, and a quick-charge lithium-ion battery system for extended runtime.

Technical Specifications

Voltage System

20 V

Max Initial Voltage

18 V

Nominal Voltage

Chuck Capacity

0.5 inch

Gearbox Construction

Two-speed powder metallurgy

Features & Convenience

Key Features

- Built-in LED light for dark areas
- 1-hour quick battery charge
- Battery capability and protection indicators
- Belt clip for high-altitude operation
- Spindle lock for quick bit changes

Battery Technology

Lithium-ion • Quick Charge • Short Circuit Protection
