

20V Cordless Impact Drill Driver with 4Ah Lithium-ion Battery

This 20V cordless impact drill driver is powered by a 4Ah lithium-ion battery. It is designed for high performance and versatility in drilling and driving applications.

Product Overview

High-Performance Cordless Impact Drill

This 20V cordless impact drill driver is engineered for versatility and reliability in demanding work environments. Featuring a robust two-speed powder metallurgy gearbox and an integrated impact function, it handles both drilling and driving tasks with ease. The 4Ah lithium-ion battery system ensures extended run times, while thoughtful design elements like a built-in LED work light and a convenient belt clip enhance productivity on the job site.

Power & Battery

Maximum Initial Voltage	20 V
Nominal Voltage	18 V
Battery Capacity	4 Ah
Quick Charge Time	1 hour

Features

Key Features

- Impact drilling function
- Two-speed powder metallurgy gearbox
- Built-in LED work light
- Spindle lock for quick bit changes
- Integrated belt clip
- Battery capacity indicator

Safety & Protection	Short-circuit protection, Lithium-ion technology
