

20V Cordless Tire Inflator with Digital Gauge

This cordless tire inflator provides a portable solution for inflating tires and other inflatable items. It features a digital gauge for accurate pressure readings and a built-in LED light.

Overview

High-Efficiency Cordless Inflation

This 20V cordless inflator provides a portable and convenient solution for maintaining optimal tire pressure. Designed for versatility, it is suitable for car tires, bike tires, and sports equipment. The unit features a high-pressure output for rapid inflation, a precise digital gauge for accurate monitoring, and an integrated LED light for visibility during nighttime use.

Technical Specifications

Voltage	20 V
Power Source	Lithium-ion Battery

Features

Key Features	Digital Gauge, LED Light, Cordless Operation, High-Pressure Output
--------------	--

Applications

Suitable For

- Car Tires
- Bike Tires
- Sports Equipment
- Inflatable Items
