

2.1 Channel Speaker System with FM Radio

This 2.1 speaker system provides immersive audio with a subwoofer for deep bass and satellite speakers for clear sound. It also features a built-in FM radio and karaoke jack for versatile audio entertainment.

Overview

Immersive 2.1 Audio System

This 2.1 channel speaker system is designed to deliver a balanced and immersive audio experience for home entertainment. Featuring a dedicated 5.25-inch subwoofer and two satellite speakers, it provides deep bass performance alongside clear high and mid-range frequencies. With built-in FM radio functionality and a user-friendly front-mounted control panel, this system serves as a versatile audio solution for various multimedia applications.
