## Product Overview

Overview of the Type-T design hair dryer features, including ionic care and magnetic nozzle technology.

### Professional Performance in a Portable Design

This 2100W portable hair dryer combines salon-grade power with travel-friendly convenience. Featuring a high-performance AC motor, it delivers strong, consistent airflow for rapid drying while advanced ionic technology works to reduce frizz and enhance shine. Designed with user comfort in mind, it includes a foldable handle, ergonomic grip, and precise styling tools like a 360° rotating magnetic concentrator nozzle.

## Technical Specifications

Power Output	2100 W
Motor Type	AC Motor
Temperature Settings	2
Speed Settings	1
