

22 AWG HDMI Cable for 4K UHD

This High-Definition Multimedia Interface (HDMI) cable is designed for transmitting high-bandwidth, uncompressed digital audio and video signals. The cable features 22 American Wire Gauge (AWG) conductors, ensuring optimal signal integrity and minimal signal loss over longer distances.

Product Overview

High-Performance HDMI Connectivity

This High-Definition Multimedia Interface (HDMI) cable is engineered to transmit high-bandwidth, uncompressed digital audio and video signals with exceptional clarity. Featuring 22 American Wire Gauge (AWG) conductors, it ensures superior signal integrity and minimal loss, making it ideal for longer cable runs. Designed to support 4K Ultra HD resolutions and HDR content, this cable provides a reliable connection for professional AV setups, gaming consoles, and home theater systems.
