Product Overview

Professional Performance

This 22-inch petrol lawn mower is engineered for efficient lawn maintenance, featuring a robust 224cc engine that delivers ample power for various grass types and lawn sizes. The durable steel deck ensures long-lasting performance, while the self-propelled drive system makes operation effortless, even on uneven terrain. Designed with user comfort in mind, it includes an ergonomic handle and a large collection bag to minimize downtime, making it an ideal solution for maintaining a well-groomed lawn with ease.
