

2200W Garment Steamer with 2.0L Water Tank

This garment steamer produces powerful steam to remove wrinkles from clothing and fabrics. It features a 2.0L water tank for extended use and a telescopic pole for convenient operation.

Product Overview

Professional Garment Care

This 2200W garment steamer is engineered for high-efficiency wrinkle removal and fabric sanitization. Featuring a large 2.0L water tank, it provides up to 50 minutes of continuous steaming, making it ideal for both home and commercial environments. The unit integrates advanced T-DRIVE-core transformer technology and anti-calcification features to ensure consistent performance and longevity.
