

2200W Professional DC Motor Hair Dryer

This is a DC motor hair dryer. It features advanced airflow technology and multiple heat and speed settings.

Product Overview

Professional Performance Design

This 2200W professional hair dryer is engineered for high-performance drying in salon or home environments. Featuring an advanced DC motor, it provides powerful, consistent airflow while offering flexible styling control through multiple speed and heat settings. The integrated ionic function helps reduce frizz, and the ergonomic design ensures comfortable handling during extended styling sessions.
