

Technical Specifications

APPLICATIONS

1. Caliper Car	11. Bleed Pin	21. Piston Pin	31. Bleed Pin
2. Caliper Guide Pin	12. Short Guide Sleeve Bolt	22. Piston Pin O-Ring	32. Guide Pin
3. Caliper Guide	13. Short Guide Sleeve	23. Piston Pin Spring	33. Spring Guide Sleeve
4. Caliper	14. Short Guide Sleeve Bolt	24. Piston Pin O-Ring	34. Guide Pin Bolt
5. Piston	15. Long Guide Sleeve Bolt	25. Piston Spring	35. O-Ring
6. Bleed Valve/Adjuster Pin	16. Long Guide Sleeve	26. Piston O-Ring	36. Piston Pin
7. Bleed Valve/Adjuster	17. Long Guide Sleeve	27. Piston O-Ring	37. Guide Pin
8. Bleed Valve/Adjuster Pin	18. Bleed Spring	28. Piston	38. Center
9. Piston	19. Guide Sleeve Bolt	29. Piston Spring	39. Brake Disc
10. Piston Spring	20. Guide Sleeve Bolt	30. Piston Spring	40. Piston Spring

Detailed component breakdown showing the assembly structure of the brake caliper.

Quality Certification

IATF 16949

Compatible Vehicles

Truck, Bus, Trailer

OEM Reference

K002962

Logistics & Packaging

PACKAGING&SHIPPING

Professional packaging options including palletized and boxed shipping.

Packaging Methods

- Neutral packaging
- Plastic bag
- Box
- Carton
- Pallet
- Customized packaging

Quality Assurance

Precision testing equipment used for brake performance and life cycle validation.

Performance Testing

100 %

Online Test Coverage
