Product Overview

Professional 23-Piece Impact Socket Set

This comprehensive 23-piece impact socket set is engineered for high-torque applications with impact wrenches and drivers. Constructed from durable chrome vanadium steel, these sockets are designed to withstand the rigors of automotive repair, construction, and heavy-duty industrial use. The set includes a versatile range of metric sizes, extensions, and adapters, all organized in a heavy-duty molded plastic case for easy transport and storage.

Technical Specifications

Total Pieces

23 pcs

Components

Socket Type

Impact Grade • Metric
