

24-Inch Folding Steel Bicycle

This 24-inch folding bicycle is constructed with a steel frame and TIG welded for durability. It includes a front caliper brake, rear coaster brake, mudguard, carrier, and frame pump.

Product Overview

24-Inch Folding Steel Bicycle

This 24-inch girl model folding bicycle is designed for versatility and durability, featuring a robust TIG-welded steel frame. Ideal for urban commuting or recreational use, it comes fully equipped with essential accessories including a carrier, mudguards, and a frame pump. The combination of front caliper and rear coaster brakes ensures reliable stopping power, while the spring-cushioned saddle provides added comfort.
