

25-Piece Twist Drill Bit Set

This set includes 25 twist drill bits made from high-speed steel (HSS). The drill bits are housed in a durable metal case with labeled slots for easy identification.

Product Overview

Professional 25-Piece Twist Drill Bit Set

This comprehensive 25-piece twist drill bit set is engineered for versatility and durability, making it an essential tool for both professional workshops and demanding DIY projects. Crafted from high-speed steel (HSS), these bits are designed to handle a variety of materials including wood, plastic, and metal with precision. The set comes organized in a robust metal case, ensuring each bit is protected and easily accessible for efficient workflow management.
