

# 2500W Angle Grinder 230mm Disc

This is a high-power 2500W angle grinder designed for heavy-duty cutting and grinding. It features a 230mm disc diameter for efficient material removal.

## Product Overview

### Heavy-Duty 2500W Angle Grinder

Engineered for high-performance cutting and grinding, this 2500W angle grinder is built to handle demanding tasks in professional work environments. Its robust construction ensures long-term reliability and durability for continuous operation. The optimized design allows for efficient material removal, making it an essential tool for professional users.

## Technical Specifications

### Rated Input Power

**2500 W**  
Power Input

### No-Load Speed

11000 min-1

### Wheel Diameter

230mm (115/125mm supported)

## Logistics

### Packaging Details

Metric	Value
Pieces per Package	6 pcs
Gross Weight	17 kg
Net Weight	16.2 kg
Carton Dimensions	45 x 38 x 26 cm
20ft Container Capacity	4150 pcs
