

250cc All-Terrain Vehicle

This all-terrain vehicle has a 250cc engine. It is suitable for off-road adventures and utility tasks.

Overview

Rugged 250cc All-Terrain Utility Vehicle

This 250cc all-terrain vehicle is engineered for both recreational off-road adventures and practical utility tasks. It features a water-cooled, 4-stroke engine paired with a fully automatic CVT transmission for smooth and reliable power delivery across various terrains. With heavy-duty front and rear cargo racks and a robust suspension system, it is designed to handle demanding outdoor work and exploration with ease.
