

26-Inch Dutch-Style Step-Through Bicycle

This classic Dutch-style bicycle has a step-through frame for easy access and a comfortable, upright riding position. It is equipped with full fenders and a rear rack, making it suitable for urban commuting and recreational use.

NEW OMA BIKE 26"

Product Overview

Classic Dutch-Style Urban Commuter

This 26-inch Dutch-style bicycle features a classic step-through frame design, engineered for easy mounting and dismounting in urban environments. Built with a durable steel frame, it offers a traditional upright riding position that enhances rider comfort and visibility. Complete with practical accessories like a rear cargo rack and full fenders, this bike is an ideal solution for daily commuting and leisurely city riding.
