		Chainstay
		Chainguard
Performance	Performance	Saddle
		Saddle post
Max Speed	32km/h	
Range	60-75km with pedal assist system	
Max load	125kg	
Net Weight	25kg	
Gross Weight	31kg	
Qty/container	52pcs/20ft, 230pcs/40HQ	
Electric	CE and RoHS certified	

Full technical breakdown including motor, battery, and component specifications.

Versatile 26-inch Folding Electric Bicycle

This electric bicycle combines the portability of a folding frame with the performance of a full-sized 26-inch wheel platform. Designed for urban commuting and recreational travel, it features a lightweight aluminum alloy frame and a hidden battery design for a sleek aesthetic. With a reliable Shimano 7-speed drivetrain and integrated pedal assist, it offers a balanced blend of manual cycling and electric power.
