

26L Horizontal Mini Display Fridge

This display fridge is suitable for showcasing wine, drinks, and food in shops, stores, and show stands. It features a compact design with a transparent door for product visibility and temperature control.

Product Overview

Compact Cooling Solution

This 26L horizontal mini display fridge is engineered for efficient, compact cooling in commercial or residential environments. Featuring a transparent door for optimal product visibility and integrated interior lighting, it effectively showcases beverages and snacks. With a reliable compressor-based cooling system, it maintains a consistent temperature range suitable for keeping items perfectly chilled.
