

27.5-inch Full Suspension Electric Mountain Bike

This 27.5-inch electric mountain bike is equipped with full suspension, making it suitable for both on-road and off-road adventures. The electric motor provides pedal assistance, and it has disc brakes for reliable stopping power.

Overview

Versatile All-Terrain E-Bike

This 27.5-inch full suspension electric mountain bike is engineered for both on-road commuting and off-road exploration. Featuring a robust steel frame paired with a semi-alloy suspension front fork, it offers a balanced ride that absorbs bumps and vibrations effectively. Equipped with a 36V 350W motor and a 7-speed drivetrain, this e-bike provides reliable pedal assistance to conquer hills and extend your riding range with ease.
