

2kW Portable Digital Inverter Power Generator

This 2kW portable power digital inverter generator is designed for various applications. It provides clean and stable power, suitable for sensitive electronics.

Overview

Portable Power Solution

This 2KW portable digital inverter generator is engineered to provide clean, stable power suitable for sensitive electronics. Its compact, lightweight construction ensures easy transport and storage, making it an ideal choice for camping, outdoor events, and reliable emergency backup power. The unit features a user-friendly interface and versatile output options to ensure compatibility with a wide range of devices.

Technical Specifications

Rated Power Output

2 kW
Rated Power

AC Output Voltage	230V
DC Output Voltage	12V

Safety & Protection

Ingress Protection Rating

IP23

Safety Features	Overload Protection, Short Circuit Protection, Engine Oil Level Alarm
