

3-in-1 Kitchen Appliance: Blender, Coffee Maker, and Juicer

This versatile kitchen appliance combines the functionality of a blender, coffee maker, and juicer. It features a multi-speed motor and a detachable blending jar for easy cleaning.

Product Overview

Versatile 3-in-1 Kitchen Solution

This innovative kitchen appliance seamlessly combines the functionality of a blender, a coffee maker, and a juicer into a single, compact unit. Designed for efficiency and convenience, it allows users to prepare smoothies, fresh juices, and coffee beverages with one machine. Its space-saving design ensures it fits perfectly in any kitchen, while the detachable components make cleaning and serving effortless.

Technical Specifications

Voltage	120 V
