

# 3-in-1 Kitchen Appliance: Blender, Coffee Maker, and Juicer

This versatile kitchen appliance combines the functions of a blender, coffee maker, and juicer into one unit. It features a powerful motor for efficient blending and juicing, along with a separate brewing system for coffee.

## Product Overview

### Versatile All-in-One Solution

This multifunctional kitchen appliance seamlessly integrates a blender, coffee maker, and centrifugal juicer into a single, space-saving unit. Designed for efficiency and convenience, it features a powerful motor capable of handling diverse tasks from smoothie preparation to coffee brewing and fresh juice extraction. Its durable construction and thoughtful design make it an ideal addition for professional environments or high-demand kitchens looking to optimize counter space.

## Technical Specifications

### Key Features

- Wide feeding chute for juicing
- Separate pulp collection container
- Integrated coffee bean grinding capability
- Compact footprint for space efficiency

Functions	Blending, Coffee Brewing, Juicing
Juicer Type	Centrifugal
Maintenance	Yes
