

3-in-1 Kitchen Blender with Mincer and Mill

This 3-in-1 kitchen blender is designed for versatile food preparation. It features a powerful motor and includes attachments for blending, mincing, and milling.

Product Overview

Versatile 3-in-1 Kitchen Solution

The KD-308C is a multifunctional food processor designed to streamline kitchen tasks. This 3-in-1 appliance seamlessly transitions between blending, grinding, and mincing, making it an essential tool for preparing smoothies, soups, sauces, and ground ingredients like spices or coffee beans. Built with safety and convenience in mind, it features a durable copper motor, stainless steel blades, and a user-friendly interface.
