

3-in-1 Wireless Charging Stand for Phones and Smartwatches

This stand can wirelessly charge three devices simultaneously. It supports up to 15W fast charging for compatible smartphones.

ADDITIONAL IMAGES

Overview

Eliminate cable clutter by charging phone, watch, and earbuds in one place.

3-in-1 Fast Wireless Charging Solution

This compact and sleek charging station is designed to fast charge three devices simultaneously, including smartphones, smartwatches, and earbuds. It features a dual-coil design that allows for both horizontal and vertical phone orientation, making it ideal for viewing content while charging. The separated PCBA and coil design ensures efficient heat dissipation, while the anti-slip silicone base provides stability on any surface.

Power & Performance

Simultaneous 15W fast charging for mobile phones, watches, and earbuds.

Charging Performance

15 W

Max Output

7.5 W

iPhone Standard

Technical Specifications

Electrical Parameters

Parameter	Value
Input	DC 5V-2A / 9V-2.2A
Output Modes	5W / 7.5W / 10W / 15W
Interface	Wireless (Qi Compatible)
Design	Dual Coil / Separated PCBA

Compatibility & Requirements

Device Compatibility

- Qi-enabled Smartphones (iPhone & Android)
- Smartwatches (iWatch series)
- Wireless Earbuds (AirPods/AirPods Pro)
- Requires QC3.0 or PD Adapter for fast charging

Safety & Quality

Integrated smart chip ensures high efficiency and prevents overheating.

Integrated Protection

- Over-current protection
- Over-voltage protection
- Over-temperature protection
- Smart chip efficiency control

Certifications

CE, FC, RoHS

Physical Design

Dual Coils

Can be charged horizontally or vertically

Dual-coil design supports both vertical and horizontal charging orientations.

Build Features

- Anti-slip silicone bottom
- LED charging indicator lights
- Compact, cable-reducing footprint
- Heat-dissipating internal architecture

Commercial Terms

Buyer Guarantee	12-months quality warranty and professional customer service.
Delivery Terms	EXW, FOB, CFR, DDP
Accepted Payment	T/T, PayPal, Western Union, Alipay, MoneyGram
