Overview

Rugged steel construction ensures protection against impact and moisture.

Rugged Ammunition & Storage Solution

This 30-caliber ammunition storage box is engineered from robust steel to provide durable protection for ammunition, tools, and other sensitive valuables. Featuring a gasket-sealed lid with a heavy-duty latch, it ensures your contents remain safe, dry, and protected from environmental factors. Its compact design is ideal for organization within gun safes, vehicles, or workshops, offering a secure and reliable transport solution.

Technical Specifications

Key Dimensions & Capacity

4.5 L

Internal Capacity

1.7 kg

Weight

Detailed Dimensions

Dimension Type	H x W x D (mm)
External	180 x 275 x 95
Internal	178 x 273 x 93

Construction Details

- Body Thickness: 0.8 mm
- Door Thickness: 1.0 mm
- Construction: Robust steel
- Seal: Gasket-sealed lid

Features

Heavy-duty latching mechanism with gasket seal provides a secure and dry storage environment.

Product Highlights

Heavy-duty latch, Gasket-sealed, Steel construction, Moisture resistant, Impact protected

Applications

Recommended Use

Ammunition Storage • Tool Organization • Gun Safe Accessory • Outdoor Transport
