

30-Inch White Finish Ceiling Fan with Pull Chain

This 30-inch ceiling fan features a white motor finish and six blades. It is controlled by a pull chain.

Product Overview

Compact Cooling Solution

This 30-inch ceiling fan is designed to provide efficient air circulation and illumination in small to medium-sized indoor spaces. Featuring a crisp white finish and a compact flush mount design, it is an ideal choice for rooms with low ceilings. The unit includes six aerodynamic blades and a convenient pull chain control system for both fan speed and lighting.
