

300 kg Capacity Platform Hand Trolley

This platform hand trolley has a 300 kg loading capacity. It is suitable for use in homes, offices, and warehouses when moving boxes, files, and furniture.

Overview

Professional Platform Trolley

This robust platform hand trolley is engineered for efficient material handling in industrial environments, warehouses, and factories. It features a durable frame with a wraparound rubber bumper to protect walls and surroundings from accidental impact. Designed for ease of use and portability, the trolley includes a foldable handle for convenient storage when not in use.
