

3000W Electric Blower Vacuum for Garden Cleanup

This 3000W blower vacuum provides a powerful solution for garden cleanup. It features strong blowing and suction capabilities for clearing leaves and debris.

Overview

High-Performance Garden Maintenance

This 3000W electric blower vacuum is engineered for efficient and versatile garden cleanup. Featuring a 3-in-1 design, it seamlessly transitions between blowing, vacuuming, and mulching, making it an essential tool for managing leaves and grass clippings. With variable speed control and an ergonomic design, this unit provides both power and comfort for professional-grade landscaping tasks.
