

3000W Electric Leaf Blower Vacuum

This 3000W leaf blower provides a high-performance solution for garden and yard maintenance. It features variable speed control and a collection bag for easy debris disposal.

Product Overview

High-Performance 3000W Leaf Blower Vacuum

This versatile 3000W electric leaf blower is designed for efficient garden and yard maintenance, offering a powerful 3-in-1 solution for clearing leaves, grass clippings, and debris. It features a robust motor with aluminum winding and a high-capacity collection bag, making it ideal for maintaining lawns, patios, and driveways. With its ergonomic design and mulching capability, it provides a comprehensive tool for both residential and light commercial landscaping needs.
