

# 300mm Hand Push Lawn Mower with Grass Basket

This hand push lawn mower has a 300mm cutting width and five high-grade steel blades. It features a 4-position cutting height adjustment and includes a 16L grass basket.

## ADDITIONAL IMAGES

## Product Overview

### Eco-Friendly Lawn Maintenance

This 300mm hand-push lawn mower is a manually operated solution designed for efficient grass cutting in small to medium-sized residential areas. Utilizing a precision-ground cylinder blade system, it delivers a clean, even cut without the need for fuel or electricity. Its lightweight, ergonomic design ensures comfortable maneuverability, while the adjustable cutting height allows for customized lawn care.
