Overview

Professional Multi-Door Refrigeration

This 303L Multi-Door Refrigerator is engineered for modern commercial and residential environments, featuring a sleek, borderless color crystal tempered glass door and a space-saving 665mm depth. It offers highly versatile storage with 4 doors, 3 distinct temperature zones, and 2 dedicated drawers to ensure optimal food preservation. The unit combines aesthetic appeal with functional durability, including a hidden LED touch display, robust, easy-access sliding mechanisms, and advanced mould-proof door seals.
