

30L Wet and Dry Vacuum Cleaner

This wet and dry vacuum cleaner is designed for both wet and dry applications. It features a 30L capacity and a powerful motor for efficient cleaning.

Technical Specification	
Model	30LWSD
Capacity	30L
Motor Power	1500W
Max. Vacuum	18KPa
Max. Air Flow Rate	53L/S
Max. Hose Diameter	38mm
Max. Hose Length	30m
Max. Suction Height	5m
Max. Suction Power	1500W
Max. Suction Pressure	18KPa
Max. Suction Capacity	30L
Max. Suction Speed	18KPa
Max. Suction Volume	53L/S
Max. Suction Weight	11.5kg
Max. Suction Quantity	4000 4000 2000
Max. Suction Time	120 120 120

Overview

Professional Wet and Dry Cleaning Solution

The ZD10 Series vacuum cleaner is a versatile and high-performance cleaning appliance designed specifically for commercial environments. With a robust 30L capacity and a powerful motor, it efficiently handles both wet and dry debris, making it ideal for demanding cleaning tasks. Engineered for quiet operation, this unit ensures effective dust and water absorption while maintaining a professional atmosphere.
