

30L Wet and Dry Vacuum Cleaner

This wet and dry vacuum cleaner is designed for industrial and commercial use. It features a stainless steel tank with a 30-liter capacity and a powerful motor for strong suction.

Overview

Professional Cleaning Performance

The 30L Wet and Dry Vacuum Cleaner is a versatile solution engineered for demanding industrial and commercial environments. Featuring a robust stainless steel tank, it handles both liquid spills and solid debris with ease. Its powerful motor ensures consistent suction, while the included accessory kit allows for thorough cleaning across diverse surfaces and hard-to-reach areas.
