

# 30W Portable Trolley Karaoke Speaker with Bluetooth

This portable trolley speaker is designed for outdoor use and delivers 30W of audio output. It features Bluetooth connectivity, a built-in audio player, and karaoke functionality.

## ADDITIONAL IMAGES

## Product Overview

### Versatile Portable Audio Solution

The T11 Portable Trolley Karaoke Speaker offers a robust 30W audio output in a compact, mobile design. Engineered for flexibility, it features a built-in lithium-ion battery, multiple input options including USB and AUX, and integrated karaoke functions like microphone priority. Its trolley-style design with wheels and a handle makes it an ideal choice for outdoor events, gatherings, and mobile audio needs.
