

330mm Metal Blade Hand Trowel for Gardening

This 330mm hand trowel is designed for planting, transplanting, and cultivating soil. It features a sturdy metal blade with depth markings and an ergonomic handle.

Product Overview

Professional Grade Hand Trowel

This 330mm hand trowel is designed for efficiency and durability in gardening tasks such as planting, transplanting, and soil cultivation. It features a robust carbon steel blade with heat treatment for long-lasting performance. The ergonomic handle is crafted from high-quality PP and TPR plastic, ensuring a comfortable grip while minimizing hand fatigue during extended use.
