

348cc Touring Motorcycle

The ZONTES ZT350-VX is a versatile motorcycle designed for both touring and urban riding. It features a 348cc liquid-cooled, single-cylinder engine, delivering a balance of power and fuel efficiency.

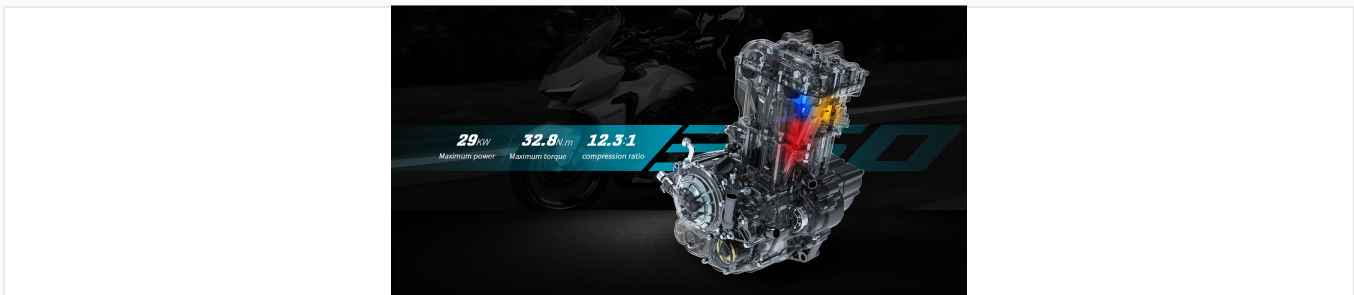

Overview

Touring & Urban Versatility

The 348cc touring motorcycle is engineered to balance performance with comfort, making it an ideal choice for both daily commuting and long-distance travel. Equipped with a reliable liquid-cooled single-cylinder engine and advanced BOSCH fuel injection, it delivers efficient power and smooth throttle response. The machine features a modern, rider-focused design including an electronically adjustable windscreen, a digital TFT display, and integrated safety systems like dual-channel ABS.
