## Product Overview

### High-Performance Portable Lighting

This 30W COB LED work light is engineered for demanding professional environments, delivering a powerful maximum output of 3500 lumens. Designed with versatility in mind, it features a 180° swivel stand base and Bluetooth app-controlled brightness adjustment, allowing for precise lighting management. The unit includes a built-in power bank function and a durable aluminum housing, making it a reliable, portable solution for indoor and outdoor worksites.

## Technical Specifications

LED Power	30 W
Maximum Brightness	3500 lm
Battery Capacity	4000 mAh
Charging Time	3 hrs
Housing Material	Aluminum

## Performance Metrics

### Brightness Settings
