

36L Aluminum Motorcycle Top Case Side Pannier

This 36L aluminum motorcycle box can be used as a top case or side pannier. It provides secure storage for touring and commuting.

Product Overview

Rugged Utility for Modern Touring

This 36L aluminum storage solution is engineered for versatility, serving effectively as either a motorcycle top case or a side pannier. Constructed from high-grade aluminum alloy, it offers an optimal balance between lightweight portability and long-term corrosion resistance. Designed to secure your gear in all weather conditions, it is an essential upgrade for commuters and adventure touring enthusiasts alike.
