Product Overview

Professional Performance in a Compact Design

The ZM4010 gasoline chainsaw is a versatile tool engineered for pruning, cleaving wood blocks, and garden maintenance. Featuring a reliable 39.6cc two-stroke, air-cooled engine, this unit balances power with ergonomic handling. It is designed to meet the rigorous demands of professional arborists while remaining accessible for homeowner use.

Suitable Applications

Pruning, Cleaving blocks, Garden nursing, Professional use, Domestic use

Performance Metrics

Key Performance Indicators

39.6 cc

Displacement

1.5 kW

Maximum Power

11000 rpm

Max Speed

Technical Specifications

Engine and Operational Data

Parameter	Value
Idle Speed	3300 ± 400 rpm
Fuel Tank Capacity	410 mL
Oil Tank Capacity	240 mL
Net Weight	4.3 kg

Cutting Configuration

Cutting Specifications

- Standard bar length: 16 inches
- Optional bar lengths: 12 to 16 inches
- Chain pitch options: 0.325P or 3/8P
- Gauge options: 0.050 or 0.058
