

4-Cup Stainless Steel Electric Moka Coffee Maker with Timer

This electric Moka coffee maker is constructed from stainless steel and includes a timer function. It is designed to brew up to four cups of Moka coffee, blending traditional design with modern electric convenience.

Product Overview

Modernized Traditional Brewing

This 4-cup stainless steel electric Moka coffee maker bridges the gap between classic brewing methods and modern kitchen convenience. Featuring a programmable 24-hour timer, automatic shut-off, and keep-warm functionality, it ensures a perfect coffee experience without the need for a stovetop. Safety is prioritized with boil-dry protection and a durable, cordless, 360-degree rotating base.

Technical Specifications

Capacity	200 ml
