

# 4-in-1 Multi-Connector USB Charging Cable

This multi-connector USB charging cable features Lightning, Micro USB, Type-C, and smart watch connectors. The nylon braided exterior ensures durability and prevents knotting.

## ADDITIONAL IMAGES

## Product Overview

### Versatile 4-in-1 Charging Solution

This multifunction USB charging cable is designed to provide a comprehensive power solution for diverse electronic devices. Featuring a durable nylon-braided exterior and high-elasticity TPE material, it is engineered to resist knotting, deformation, and daily wear. With integrated support for Lightning, Micro USB, Type-C, and smart watch charging, this cable is an essential, portable tool for professional environments and travel.

## Technical Specifications

### Charging Metrics

<b>2.4 A</b> Lightning Max Current	<b>3 A</b> Type-C Max Current	<b>2 A</b> Micro USB Max Current	<b>1 A</b> Smart Watch Max Current

### Supported Connectors

Lightning, Micro USB, Type-C, Smart Watch

## Construction & Design

### Material Composition

- Nylon braided exterior
- High elasticity TPE
- Aluminum alloy connectors

### Key Features

Magnetic charging • Fast charge support • Anti-knotting • Deformation resistant • Portable
