

4-Ton Hydraulic Bottle Jack

Hydraulic bottle jack designed for lifting heavy loads. It features a sturdy base for stability and a screw extension for added lift height.

Overview

Professional 4-Ton Hydraulic Bottle Jack

This 4-ton hydraulic bottle jack is engineered for reliable lifting performance in automotive and industrial environments. It features a robust, wide base that ensures maximum stability during operation, providing a safe lifting solution for heavy loads. The integrated screw extension allows for fine-tuned height adjustments, making it a versatile tool for various maintenance and repair tasks.
