Product Overview

Ergonomic design with anti-vibration technology for comfortable operation.

Robust construction built for durability and efficient wood cutting.

Professional-Grade 40CC Gasoline Chainsaw

This robust 40CC gasoline-powered chainsaw is engineered for high performance in garden maintenance and wood cutting applications. Featuring a digital-type ignition system and automatic anti-kickback braking, it ensures both stability and operator safety. Built for durability with an engine life of 150-200 hours, this tool is designed to meet the demands of both professional contractors and home users.

Technical Specifications

Reliable and powerful tool for professional and residential wood maintenance.

Engine Performance

39.6 cc

Displacement

1.5 kw

Rated Power

11000 rpm

Max Speed

Engine Details

- Type: 2-stroke, air-forced cooled
- Bore/Stroke: 41/30mm
- Carburetor: Diaphragm type
- Idle Speed: 3300 ± 400 rpm
- Digital-type ignition system

Capacity

410 ml

Fuel Tank

240 ml

Oil Tank

Weight

4.3 kg

Cutting Capabilities

ZOMAX

Standard 16-inch bar configuration suitable for pruning and felling.

Configuration Options

Feature	Available Options
Bar Length	14", 16", 18"
Chain Pitch	0.325" or 3/8"
Gauge	0.050G / 0.058G

Safety and Performance Features

Automatic Anti-kickback Brake, Anti-freeze System, Easy-Starter, Fuel Primer, Low Vibration
