Overview

Ergonomic design for comfortable handling

Professional Gasoline Chainsaw

This 40CC gasoline-powered chainsaw is a robust and efficient tool engineered for versatile garden maintenance and wood cutting applications. Featuring an air-forced cooled 2-stroke engine, it delivers reliable power for felling, pruning, and firewood production. Designed for both professional and home use, it balances ergonomics, safety mechanisms, and durable performance.

Technical Specifications

Robust construction for durability in outdoor tasks

Engine Performance

39.6 cc

Displacement

1.5 kW

Rated Power

11000 rpm

Max Speed

4.3 kg

Dry Weight

Fluid Capacities

- Fuel Capacity: 410 ml
- Oil Capacity: 240 ml
- Oil & Fuel Ratio: 1:40

Cutting Configuration

Precision-engineered for efficient wood cutting

Chain Specifications

| Feature | Specification |
|-------------|----------------------|
| Chain Pitch | 325 inch or 3/8 inch |
| Gauge | 0.050G / 0.058G |

Bar Length Options

12 inch, 14 inch, 16 inch

Logistics

Container Loading Quantity

| Container Type | Quantity |
|----------------|----------|
| 20FT | 936 |
| 40GP | 1944 |
| 40HQ | 2187 |
