

40V Cordless Grass and Brush Trimmer

This 40V cordless brush cutter is a versatile tool for trimming grass, weeds, and brush. It features a high-performance 40V motor that delivers ample power and runtime for demanding cutting tasks.

Product Overview

Professional Cordless Performance

This 40V cordless brush cutter and grass trimmer is designed for versatile garden maintenance, offering the freedom of cordless operation without sacrificing power. Equipped with a high-efficiency brushless motor, it handles both tough brush and delicate grass trimming with ease. The dual-function design allows users to switch between cutting modes, making it an essential tool for maintaining well-groomed outdoor spaces.
