

42-Piece 1/4" Drive Socket Set

This 42-piece socket set is designed for a wide range of fastening tasks. The set includes a variety of 1/4" drive sockets, bits, and accessories, all neatly organized in a durable blow-molded case (BMC) for easy storage and portability.

Overview

Professional 42-Piece 1/4" Drive Socket Set

This comprehensive 42-piece toolkit is engineered for precision and durability, featuring hardened Chrome Vanadium steel construction with a satin chrome finish. The set includes a high-performance 72-tooth quick-release ratchet handle and a wide array of sockets and bits, making it ideal for automotive repair and general maintenance. All components are organized in a heavy-duty blow-molded carry case with a secure metal lock for easy portability and long-term storage.
